

Nittany News

Dear member,

8-0... our Nittany Lions are 8-0! Football victories aside, it has been a beautiful fall in Happy Valley.

Earlier in the month, chapter members participated in Homecoming activities:

- Arnold Gasche and Richard "Dick" Kustin were honored at the Homecoming 2019 Ice Cream Social for their continued membership and volunteerism to the Alumni Association and the Centre County Chapter.
- Members Janet and Mark Campolongo carried the Alumni Association's banner in the Homecoming Parade.
- Member Dale Hoffman was selected to the Alumni Court.

CCCPSAA New Membership Model

CCCPSAA's board recently approved the migration to a new membership model. Starting November 1, membership will be offered at \$15 annually per individual.

The current option for joint membership will be retired. Members who currently are in joint membership plans will maintain member status for both individuals through the end of their current memberships. At renewal, these members will be offered the opportunity to renew as two individuals at \$15 each. Additionally, current individual members will be offered the opportunity to renew at the new \$15 rate.

During the coming months, CCCPSAA representatives will begin switching current joint member records to "individual" status in Alumni Magnet, the chapter's member management website. This step will not change member status -- all current members will continue to receive all member benefits. This change will have no impact on members with life member status.

CCCPSAA New Membership Model

Please join us at our next Happy Hour at the Penn Stateer on Friday, November 22nd. We will be collecting food donations for the State College Food Bank.
